The Card is intended for your personal use only. Your use or use by anyone with actual authority or for your benefit constitutes an authorized use. When you receive your Card, sign your name in ink on the signature panel. You will use the Personal Identification Number ("PIN") you selected.

The use of the PIN together with your Card and signature is intended to prevent your Card from being improperly used. In order to protect this security, **do not write your PIN on your Card** or keep your PIN close to your Card. You should not tell your PIN to anyone.

Transactions will be posted to your account in the order and with the same legal effect as checks drawn on the account.

14. Anyone honoring the Card may be required to obtain approval or authorization for any transaction over a certain dollar amount. The authorization will create a hold on your account for the authorized amount.

You agree that we may take this action and you agree to relieve us of any liability for placing a hold on the account as agreed.
